

The St. Mary's Catholic School Uniform Policy for 2017-18

All school sponsored apparel, including athletics, must have prior approval by the Uniform Committee. St. Mary's School colors are navy blue and white. Royal blue and white are the colors for Athletics and therefore are reserved for students in 6th-8th grade only. The word "solid" when used in reference to outerwear in this policy equates to outerwear that has minimal branding or accent color. On Mass days, the Mass Day Uniform is to be enforced the entire day and no royal blue is allowed throughout the day.

Parents have the responsibility to send their children to school neatly groomed and correctly dressed. Uniforms should look sharp. Torn or frayed clothes are not allowed. Uniforms need to fit properly. Clothes that are too big, too small, or too short should not be worn to school. The principal will set dress guidelines for any school-sponsored function. The principal will address certain trends in fashion as they arise.
