Dear Families,

Catholic Schools Week is almost here! What a wonderful way to showcase our pride in the Catholic education we have the opportunity to celebrate each and every day! I would like to thank all of our parents and students for your continued support in our mission, “to inspire a lifelong love of God and service to neighbor.” St. Mary’s School is a lot more than the brick and mortar in which we hold our classes- it is the result of support, hard work, and devotion of our teachers, parents, students, and parish.

Thank you for helping us in continuing our tradition of excellence the Texas Hill Country!

**Be Blessed,
John Mein, Principal**

**Registration IS open for
