Dear Parents:

St. Mary's Catholic School, for a variety of reasons, has discontinued our participation with the National School Lunch Program. We are, however, endeavoring to continue our cafeteria service for the children, providing a hot, nutritious lunch every day. The price of our lunch for students in Pre-Kindergarten through Grade 3 will be \$3.55, and the price for students in Grade 4 through Grade 8 will be \$3.80.

We wish to make accommodations for those families who would be eligible for Free or Reduced-Price lunches if they were attending a public school. Finances do not allow us to offer free meals, but we will be offering a reduced-price meal at \$1.50.

If you have any questions, please call Carey Weinheimer at 997-3914.
